## Points Championship 2024

## Overview

The goal is to have a minimum of two rounds a month to be Low Net Individual Points games. One round a month will be for 1,000 points and the remaining rounds, 600 points. The Yearly Game Calendar, on the website, is the starting plan for the schedule; games are up to Monthly Tournament Chair. $\$ 5$ buy in for each player will be paid prior to each round.

## Round Play

All Points games and the Points Championship will be played under the USGA Rules of Golf and local Camarillo Springs Senior Golf Club (CSSGC) rules unless otherwise notified by the Tournament Director. Each group will monitor and make rulings, for each player in the group, according to USGA and local rules. Handicaps for Points rounds and the Championship will be taken from what the Handicap Chairman posts on the Camarillo Springs Senior Golf Club (CSSGC) website (https://www.camarillospringsseniorgolf.com) for Camarillo Springs Golf Course on the 1st and $15^{\text {th }}$ of each month.

## One/2 Flight Low Net Scoring System

Points will be earned based on Low Net scoring (see below). The top 16 finishers, or less when there are less than 16 players, will receive the following points each week. Weekly and Yearly Accumulated To Date Points will be updated and posted on the CSSGC website.
